Scholarship Policy for Classes and Events Unity Center of Davis

Purpose: As part of its mission, Unity Center of Davis encourages and supports spiritual education and enrichment.

In order to make classes and events available to the widest population possible, UCOD offers scholarships to classes and events subject to availability of funds, and according the following guidelines:

Foundational Classes (such as Practical Spirituality, Lessons In Truth, Discover the Power Within and Life of Prayer):

– Full scholarships are available for those needing this level of assistance.

Other Classes and Events: partial scholarships are available based upon UCOD costs and vary by event. The scholarship amount will be determined and posted at time of registration. Fund-raising events do not *ordinarily* qualify for scholarships; however, if privately donated scholarship funds are available specifically for these fund-raising events, applications will be accepted considered until the donated funds are exhausted.

Procedure: Those who require a scholarship in order to attend a class or event should complete the application on other side and turn in at the place of event registration (or if you prefer confidentiality, mail to Rev. Larry at UCOD office address below.)
